

Credit Card Use Authorization Form
Development and Operations Section
 California Park and Recreation Society

Instructions: Please (1) review all of the cardholder information carefully. (2) Review the description and amounts associated with the purchase you are making, and (3) Submit this form by email to info@parkdevops.info or present to the on-site registrar the day of the event along with your credit card; (4) receive a receipt for your records. To protect your credit card information, when submitting by email do not include credit card number or security code information. A Section representative will contact you to secure the necessary information and finalize the transaction.
