1	Control the weather! JK! It was a great event unfortunately, it had to rain on that day. Out of your control. It would have been great to be outside with the demonstrations. I believe I would have a better opportunity to speak with a lot more people. I felt the people felt rushed to get in and out of the venue. I am sure San Diego is going to be great! Looking forward to it!	6/24/2020 12:32 PM
2	Make a google doc for all vendors who plan to do presentations so that topics are not repeated.	6/23/2020 4:16 PM

1	I would reach out to Bill Caraway from The Turf Grass Group from Georgia. He is an expert on sports turf and is an expert on TifTuf. He would be a great speaker for your event!	6/24/2020 12:32 PM
2	Vendor introductions at the "opening ceremony". Either naming the reps present from each booth or allowing a 1-2 overview of each vendor.	6/23/2020 4:16 PM
3	nothing	6/23/2020 1:01 PM
4	More agencies in attendance.	6/23/2020 11:22 AM
5	I think you did good. Maybe invitations for venders to hand out.	6/23/2020 10:52 AM
6	Event layout was very choppy that lead to layout being isolated. The sponsorship booths needed to be in a bigger more centralized area.	6/11/2020 10:38 AM
7	Energy; I'm an athlete in the industry, and almost everything that is done in sports(outside of classroom/film session) is accompanied by music. It would be cool to have a vibe in the background to outdoor functions. Community athlete involvement. Every athlete growing up has at one time or another used a park facility for training, football, soccer, baseball, softball, etc. It's a part of an athlete's story that doesn't get touted much. I'd like to see athletes, 1. show appreciation for the people who take care of these facilities.	6/10/2020 11:25 AM
